

WELCOME TO CONCEPT RESTAURANT

Our restaurant is more than just a place to dine; it's an integral part of Armenia's largest social enterprise: Concept by COAF. Each dish you order resonates with a profound purpose: to fund and nurture COAF's numerous educational programs aimed at empowering rural youth and communities.

We take pride in sourcing our produce locally, supporting small family farms throughout the picturesque Lori region. Our menu draws inspiration from time-honored Armenian recipes, the unique regional specialties of Lori, as well as a wide range of options from international cuisine.

Concept Restaurant is your gateway to both culinary satisfaction and social impact.
